# Journey to divinity

**Journey to Divinity** is a tribute to Swami Vivekananda on the occasion of his 150th birth anniversary, through Indian classical dance by Odissi exponent Shubhada Varadkar. **Journey to Divinity** portrays various aspects of Swamiji's life and philosophy and is based on the poems of Swamiji, originally written in English and Bengali translated in to Hindi.

**Journey to Divinity** takes a kaleidoscopic view of Swamiji's life in narrative form. It uses classical dance in conventional sense but also includes commentary and visuals.
